Fish versus Farms: Proposed Federal Legislation Seeks a Balance for California Water Supplies

By Shannon Morrissey on Feb 16, 2016 12:20 pm

On Wednesday, February 10, Senators Dianne Feinstein and Barbara Boxer (Dem.-California) introduced a draft bill with the explicit purpose to “provide short-term water supplies to drought-stricken California and provide for long-term investments in drought resiliency throughout the Western United States.” Entitled, “California Long-Term Provisions for Water Supply and Short-Term Provisions for Emergency Drought Relief Act” ...
